About us..

Charter of Pinheiro da Bemposta

Pinheiro da Bemposta was na na important settlement, created in 1514 and extinguished on October 24, 1855, being part of the region of Esgueira. It was his a grantee at the time, of the Count of Vila Verde and Marquis of Angeja. He took ownership of the Charter Letter of this village, which was given by the king D. Manuel, in Lisbon, on August 15, 1514.

Pillory

Town hall

According to tradition, the etymological origin of its name comes from a large pine tree that existed by the old road, in the place of Areosa, under which the passengers rested. The name Bemposta comes from its airy and elevated position, where it embraces a wide panoramic view of the “ Ria de Aveiro.” (Lagoon of Aveiro)

“Jogo da malha”
